

PATIENT INFORMATION

Laser Hair & Vein Pre-treatment Instructions:

1. **Hair Only:** No plucking, waxing, depilatory or bleaching for a minimum of 2 weeks prior to your first treatment only. We ask that you refrain from any plucking, waxing, depilatory or bleaching during the laser treatment process; these methods will interfere with the laser treatment and may result in requiring more treatments to achieve desired results. Shaving is permitted during laser treatments.
2. **Hair Only:** Please remove make-up, deodorants, and lotions in the treatment area prior to treatment. Ladies: If you are treating your bikini area, please wear white underwear, because the laser is attracted to color.
3. **Hair Only:** Shaving may not be required prior to your first treatment. Please call for further instructions.
4. **Hair Only:** If you have fair skin and light hair we recommend no sun exposure if the 755 nm Alexandrite is being used. Recommendation is 4 weeks prior to, during and after the course of any laser treatment.
5. **Hair & Vein:** If you've started any antibiotics or any other medications that may make you photo sensitive, please let us know. We may have to reschedule your appointment. Also notify the RN/Tech if there has been any change in your health status (new medications, heart condition, etc.).
6. **Hair & Vein:** Sun exposure and tanning beds should be avoided for several days' pre and post treatment to avoid blistering. If self tanner is used, you should wait 2 weeks after application to avoid any discoloration. If sun exposure is unavoidable, use a minimum SPF 30 SUNSCREEN (UVA/UVB).
7. **Hair & Vein:** For maximum desired results, multiple treatments will be required at regular scheduled intervals.

Cancellation Policy:

It is important to call if you are unable to make your appointment. We require a **minimum 24-hour notice**. There will be a **minimum fee of \$75.00** for anyone that fails to show or does not cancel at least 24 hours prior to a scheduled appointment. We have invested a great deal of money into the most advanced lasers and medical staff to provide you with the best results. If you fail to show up for your appointment, this amounts to considerable lost revenue, which in turn will result in future price increases. You are extremely valuable to us as a customer and it is not our intention to offend anyone and thank you in advance for your cooperation.
